TAN Mission: Work with officials in order to accommodate Naturists on a section of beach clearly designated as clothing-optional.

TAN Dress Code: Current Pinellas County Park Code requires a minimum of G-strings for both sexes and coverage of the nipples for women. Beach attire is a matter of personal choice and personal responsibility.

Outings/Activities: All of our activities are clothing-optional unless otherwise specified. TAN strives to provide its members with a wide variety of activities where they may safely enjoy family-oriented clothing-optional recreation. If you have any ideas for additional outings or activities for TAN, please share them with us.
